Indianapolis Symphony Orchestra appoints Suzanne Sweeney as Vice President of Finance

INDIANAPOLIS – The Indianapolis Symphony Orchestra today announced the appointment of Suzanne Sweeney to the position of Vice President of Finance, effective June 3. As a member of the senior management team, Ms. Sweeney will be responsible for the ISO's general financial management and oversee the finance, human resources and information technology departments.

Ms. Sweeney comes to the Indianapolis Symphony from the Indiana Repertory Theatre, where she served as Associate Managing Director and was responsible for the organization's financial planning and budgeting processes, strategic planning, human resources functions and board engagement. Prior to the IRT, she provided audit and consulting services for non-profit and banking clients at BKD LLP, served as senior accountant for Myers and Stauffer, CPAs, and managed audits and contracts for Merchants National Bank and KPMG.

In the community, Ms. Sweeney has served on the Indy Fringe Festival and Day Nursery Board of Directors, and is a member of the Stanley K. Lacy Leadership Class 31. She earned a MBA from Indiana University and a bachelor's degree from The College of William and Mary.

“Suzanne's 19 years of experience in finance and administration – in the non-profit and for-profit sector – makes her the right candidate for the ISO's Vice President of Finance position,” said Gary Ginstling, CEO. “Better yet, her affection for and commitment to the arts will serve her well at the ISO, and we are delighted that she is joining our team.”
