ISO Adds Performances: Harry Potter and the Sorcerer's Stone™ Film Concert and The Music Of Prince

INDIANAPOLIS – [July 29, 2016] Due to continued high demand for both concerts, the Indianapolis Symphony Orchestra is pleased to announce an additional performance of *Harry Potter and the Sorcerer's Stone™* as part of the Harry Potter Film Concert Series on Oct. 30 and The Music Of Prince on Nov. 22.

All four *Harry Potter and the Sorcerer's Stone™* Film Concert performance dates are:

Friday, Sept. 23, 7:30 p.m.

Sunday, Sept. 25, 3 p.m.

Thursday, Oct. 27, 7:30 p.m.

NEW! Sunday, Oct. 30, 3 p.m.

The Harry Potter Film Concert that kicked off in June 2016 is another magical experience from J.K. Rowling's Wizarding World. Indianapolis audiences will be able to relive the magic of the first Harry Potter™ film on a 40-foot, high-definition screen while the ISO performs, to picture, John Williams' unforgettable score at Monument Circle's beautiful 100-year-old Hilbert Circle Theatre. The second and third films will be performed in 2017 as part of the global tour.

The Music Of Prince dates are:

Friday, Oct. 14, 8 p.m.

NEW! Tuesday, Nov. 22, 7:30 p.m.

Bridging the gulf between rock 'n' roll and classical music, conductor/arranger Brent Havens takes the podium to present Windborne's *The Music Of Prince*, a program he scored to extend the listening experience of Prince's exceptional tunes. Performed by the ISO and amplified with a full rock band and vocals, Havens and his ensemble capture Prince's distinct sound while presenting some familiar and lots of new musical colors.

Indianapolis Colts owner Jim Irsay has generously donated the use of Prince's "Yellow Cloud" electric guitar, [which he purchased in June](#), for both performances. Prince played the solid-body guitar often in the late 1980s and early 1990s.

Tickets for both concerts can be purchased at IndianapolisSymphony.org or by calling the ISO box office at (317) 639-4300.
