ISO’s 317 Series Brings Engaging Community Experiences to Hendricks and Johnson Counties

March 15, 2017 – The Indianapolis Symphony Orchestra’s 317 Series—now in its third year—is evolving to support community goals across Central Indiana! The 317 Series has progressed from a series of concerts into a set of ISO experiences in your hometown.

Each of these groupings of ISO activities is centered on providing family-friendly options, elevating the cultural offerings in our surrounding communities, and assisting in workforce development.

The Teddy Bear Concert Series is our newest Learning Community program, made just for preschool & kindergarten students (ages 3-6). This series is presented by Anthem Blue Cross Blue Shield and underwritten by the Tobias Family Foundation. The Teddy Bear Series began in 2014 with The Giant’s Violin, which introduces preschoolers to the string instruments of the orchestra through story, movement and live music. Each program features musicians from the Indianapolis Symphony Orchestra.
